A Beautiful Life

Izie Bell Hudson, affectionately known as Nana, was born April 16, 1949. On November 24, 2026, surrounded by her loved ones, she gained her angel wings at the age of 77.

A devoted wife, she shared 58 years of marriage with her beloved Joel Hudson, who preceded her in death. Her greatest treasure was the family they built together.

She leaves her three sons, Tim Hudson (Laurie), Todd Hudson (Brandie) and Terry Hudson; and two bonus sons, Bennie Joel Brooks (Edna) and Randy Mayo, whom she loved as her own.

Her grandchildren are Matt Hudson (Ashley), Courtney Mayo (Sean), Bradley O’Connell (Courtney), Morgan Singleton (Cord), Kerrie Hudson, Jessica Burchfield (Patrick), Amber Hudson, Alyson Hudson (Wyatt) and Haley Hudson (Lane). She was also blessed with many great-grandchildren.

Nana loved traveling, animals, music and dancing. She had a compassionate heart for those in need and a remarkable ability to find the good in difficult moments. Her kindness, laughter and unconditional love will live on through generations.

Until we meet again, Nana.
